**COMPANY VALUES**

- ✓ Innovate where there is opportunity. We encourage new ideas but realize we don't need to reinvent every wheel.
- ✓ Turn customers into fans. We know successful customers will translate into success for our team.
- ✓ Continuously improve every day. We want to be better today than we were yesterday.
- ✓ Always share knowledge. We believe in freely and openly sharing knowledge to build trust and ensure success.
- ✓ Take ownership of individual efforts but work as a team. We are most effective when we leverage our individual strengths to power the team.
- ✓ Celebrate our differences. We seek to grow a diverse team with unique backgrounds and experiences to challenge the status quo.

**TRUSTED BY**

#### AUTOMATION AND ORCHESTRATION

### Save hours with effortless enforcements

Apply cloud rules – (like, “deny creation of public objects”) – just once, and they’ll apply automatically on new accounts. Plus, see all your policies right on your org chart.

#### FEATURES:

- ✓ Comprehensive Cloud Boundaries
- ✓ Self-Service Account Provision
- ✓ Detailed Org Chart View

#### FINANCIAL MANAGEMENT

### Prevent blown budgets

Get alerts or cut off spending when you hit your limit. Trim 30% off your total cloud bill. And create spend plans that match your real-life plan – across ALL your cloud providers.

#### FEATURES:

- ✓ Proactive Budget Enforcements
- ✓ Reactive Savings Opportunities
- ✓ Project-Level Fund Allocation

#### CONTINUOUS COMPLIANCE

### Block security breaches in your sleep

Use our compliance checks to auto-align with established standards like NIST and CIS or build your own from scratch. Then, fix issues automatically or on-demand in the dashboard.

#### FEATURES:

- ✓ Customizable Compliance Checks
- ✓ Plug-And-Play NIST & CIS Compliance
- ✓ Trend-Spotting Dashboard
