

Welcome to cloudtamer.io

Benefits, Perks & Culture

cloudtamer.io simplifies our customers' cloud operations through account management, budget enforcement, and compliance automation. So customers spend less time managing their cloud and more time benefiting from it.

Our mission is to make peoples' lives easier in the cloud.

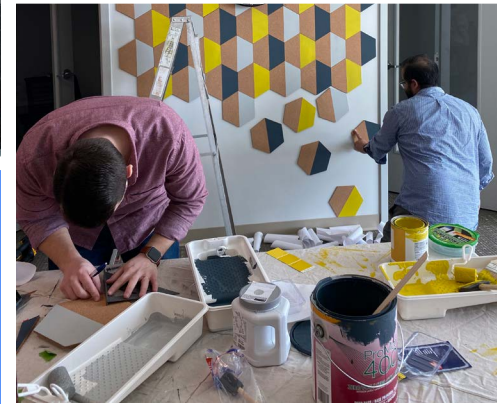

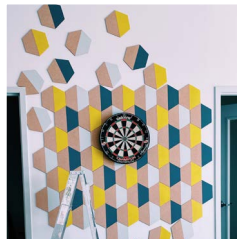

(And have fun as a team while doing so.)

Benefit from our Benefits

- **Paid Time Off:** 24+ days, 7 holidays, and 8 days of sick leave
- **Parental Leave:** up to 40 days of paid leave
- **401K:** we contribute 3% of direct compensation; no match required and vesting is immediate
- **Medical Insurance:** top-of-the-line CareFirst coverage with zero deductible
- **Plus:** Flexible Spending Accounts, Disability and Life Insurance, and Education Reimbursement

Take advantage of our Perks

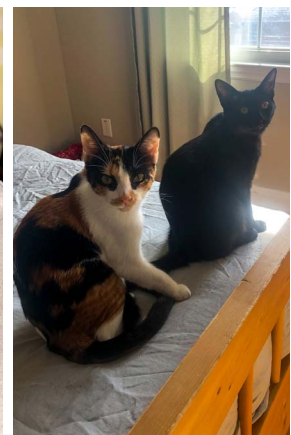

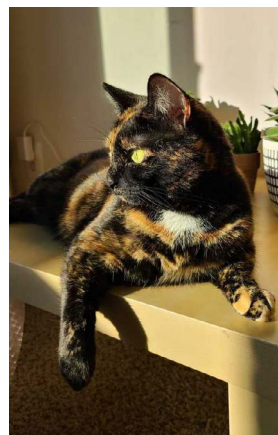

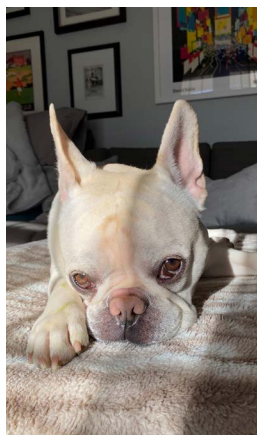

- Outfit your desk with your choice of a Mac or Windows laptop, plus a \$1K allowance for the rest of your workstation.
- Team with coworkers for Quarterly Innovation Days to create and build and Quarterly Community Service events to give back.
- Discover something new — and share your passion — at monthly lunch and learns.

Our technical folks created a MagicMirror while the operations team designed a backdrop for our dartboard wall on a recent Innovation Day.

Immerse yourself in our Culture

- You will be doing challenging work, surrounded by incredibly smart people who are driven to continuously make our product better.
- You will have a transparent leadership team who is focused on ensuring an outstanding employee experience.
- You will be trusted and accountable to make smart decisions and take ownership of them.
- You will always be learning and teaching others as we value collaboration and look to enable everyone to succeed.
- You will be part of a diverse, inclusive, and social environment; we believe connecting as people makes us more effective and the work more enjoyable.
